

Labour Relations Management Practice

Presented by the Department of Human Resources Management and Labour Relations, University of Pretoria

The **Labour Relations Management Practice** short course provides you with the skills and knowledge to perform your duties as human resources or labour relations practitioner more effectively in relation to typical business management systems, practices and procedures. The course covers a range of topics relevant to the labour relations management environment, including: conflict management; knowledge of equity and fairness practices; communication; representation and participation skills; legal guidelines and relevant case law; strategies, policies and procedures; managing diversity and affirmative action; and pertinent grievance procedures. You will also gain particular insights to positive contributions to labour relations management in South Africa.

Course content

- The Labour Relations Management environment
- Legal guidelines (BCEA, EE Act, SD Act, OHS Act, COIDA, UIF Act)
- Human Resources Management and Labour Relations systems, strategies, policies and procedures
- Conflict management in labour relationships
- Communication, representation, participation
- Fairness, equity and discrimination in HRM practice
- Managing diversity and affirmative action
- Grievance procedures
