

Outcomes-based Monitoring and Evaluation Implementation

Presented by the Department of Business Management,
University of Pretoria

The **Outcomes-based Monitoring and Evaluation Implementation** short course will provide you with a practical and theoretical framework for understanding and implementing Monitoring and Evaluation (M&E) efforts in the work environment. While it may be biased towards developmental work, it nevertheless provides delegates with relevant tools and skills especially suited to the aim of monitoring and evaluation of the performance of policies, programmes and projects in a bid to generate desired results for the organisation and its material stakeholders.

Course delivery options:

- Virtual sessions
- Contact sessions

Course content

- Basics of results-based management
- Concepts of M&E
- Problem analysis
- M&E readiness assessment
- The logical framework approach
- The development of indicators
- Crafting of outcome statement
- Data-related considerations
- Evaluation design and types of evaluation
- M&E reporting

Learning outcomes

After successfully completing the course, you will be able to

- understand the concepts of M&E
- undertake a problem analysis
- determine relevant indicators and data necessary for M&E
- design an M&E process
- establish baselines and targets
- develop a results measurement matrix
- develop a data-indicators grid.
- appreciate evaluation in the context of developmental work
- understand the framework of analytical categories of evaluation

Who should enrol?

This course is ideal for development-minded practitioners employed as planners, programme and project managers, or administrators interested in M&E in the workplace.

Admission requirements

Prospective delegates should, at least, have a National Senior Certificate (Grade 12) or equivalent qualification.

Accreditation and certification

Enterprises University of Pretoria (Pty) Ltd is wholly owned by the University of Pretoria. As a public higher education institution, the University of Pretoria functions in accordance to the Higher Education Act 101 of 1997. Enterprises University of Pretoria offers short courses on behalf of the University and these short courses are not credit-bearing, and do not lead to formal qualifications on the National Qualifications Framework (NQF) – unless stated otherwise. Delegates who successfully complete a short course and comply with the related assessment criteria (where applicable) are awarded certificates of successful completion by the University of Pretoria.
