

Outcomes-based Monitoring and Evaluation Implementation **(Online course)**

Presented by the Department of Business Management, University of Pretoria

The **Outcomes-based Monitoring and Evaluation Implementation** online short course will provide you with a practical and theoretical framework for understanding and implementing the Monitoring and Evaluation (M&E) process in the work environment. While it may be biased towards developmental work, it nevertheless provides knowledge especially suited to the aim and M&E programmes, projects and performance in a bid to generate desired results in your organisation.
