

Project Quality, Risk and Time Management

Presented by the Department of Construction Economics, University of Pretoria

5 ECSA CPD Points

24 SACPCMP CPD Hours

The **Project Quality, Risk and Time Management** short course presents you with a unique training experience in applying a further three of the ten Project Management Body of Knowledge (PMBOK®) areas – namely, Quality management, Risk Management and Time Management – directly to the construction and built environments. The course specifically aims to provide you with extensive knowledge of and the requisite skills in project control and time management, project reporting, project construction and proper close-out to ensure quality standards and minimised risks are met.

This course earns you credit towards the Comprehensive Project Management Programme for Built Environment Practitioners (CPMP).

Enrol for this short course or the full programme to upskill and get the latest international knowledge combined with local expertise to create a best-practice reference base and application in an African context.

Learning outcomes

After successfully completing the course, you will be able to apply three of the PMBOK® knowledge areas, namely *Quality Management*, *Risk Management* and *Time Management*, in project implementation and planning.

Who should enrol?

This course is ideal for you if you are seeking to upskill your project management proficiency in order to perform your duties more effectively within your respective work environment – whether as property developer or manager, property and real estate practitioner (in government or privately), financier, contractor or construction manager.

Course fees

R11 500.00 per delegate (VAT incl.)

Course fees include all course material, lunch and refreshments during contact days.

Course fees must be paid in full 14 days prior to course start dates. Proof of payment can be submitted to enrolments@enterprises.up.ac.za.

Admission requirements

Prospective delegates should at least have a National Senior Certificate (Grade 12) or equivalent qualification and/or relevant work experience in the built environment.

Accreditation and certification

Enterprises University of Pretoria (Pty) Ltd is wholly owned by the University of Pretoria. As a public higher education institution, the University of Pretoria functions in accordance to the Higher Education Act 101 of 1997. Enterprises University of Pretoria offers short courses on behalf of the University and these short courses are not credit-bearing, and do not lead to formal qualifications on the National Qualifications Framework (NQF) – unless stated otherwise. Delegates who successfully complete a short course and comply with the related assessment criteria (where applicable) are awarded certificates of successful completion and/or attendance by the University of Pretoria.
