

Sports Law

Presented by the Department of Procedural Law, University of Pretoria

The short course in **Sports Law** examines some of the most common legal problems facing those in sport from managers and government officials to participants and administrators alike who deal with sport-related activities both on and off the sportsfield. The course covers specific topics of sport-related issues, including: contractual relations; the role of the agent in professional sport; labour law in professional sport; disciplinary proceedings and alternative dispute resolutions; the legal aspects of sport injuries; liability regulations regarding drug-use in sport; sport sponsorships; and constitutional issues in sport. You will also gain insights to the various representative sporting codes and federations.

Course content

- Contractual relations in sport
